

TOUCHSCREEN TOOL

Reduce Exposure to Germs

Touch it
 TouchScreen Tools grey conductive plastic edge allows the tool to work on touchscreen devices like self-checkout kiosks or gas pump screens. The plastic won't scratch surfaces.

Push it
 Use the TouchScreen Tool to push buttons. Keypads, elevator buttons, crosswalks, public transit kiosks & more.

Pull it
 Avoid unnecessary contact with public door handles. Use the TouchScreen Tool to pull open doors, drawers & more.
